Compliance Plan Action #1

Administrative Rule:

67:61:10:02

Each building an agency owns, rents, or leases, to provide residential services must comply with applicable fire safety standards, as set forth in the 2012 edition of the NFPA 101 Life Safety Code. An automatic sprinkler system is not required in an existing facility unless significant renovation or remodeling occurs. An existing automatic sprinkler system must remain in service.

New construction, renovations, additions, and changes of space must comply with NFPA 101 Life Safety Code, 2012 edition. Each facility must comply with the building construction standards of the International Building Code, 2012 edition.

Summary of Non-Compliance Finding:

One stairwell door could not be unlocked with staff keys. Multiple keys were attempted without success.

Corrections to be Made:

Avera St. Luke's must ensure the stairwell door can be unlocked.

Corrections Made:

Two keys were identified as faulty and have since been removed from rotation and replaced. All other keys tested and identified as operating as required, releasing the door lock.

Anticipated Completion Date:	**Date Completed:**
