The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:20

A center provider supervising children must be in the same room with the children or on the playground with the children, and must be able to see or hear the children, at all times. If children are in a school-age program, the provider must be able to hear or see the children, at all times, and must be close enough to intervene at all times.

Summary of Non-Compliance Finding:

During a complaint investigation on 03/20/25, two infants were observed to be unsupervised for approximately two minutes. It was also found that children are not consistently supervised during nap time.

Corrections to be Made:

Children must be supervised at all times.

Corrections Made:

Supervision requirements were reviewed with the program director and technical assistance will be provided by Sanford Children's CHILD Services.

Anticipated Completion Date:

Compliance Plan Action #2

Administrative Rule:

67:42:17:21

A center or school-age program must maintain the following ratios:

- (1) Five children to one staff for children up to three years of age;
- (2) Ten children to one staff for children three through four years; and
- (3) Fifteen children to one staff for children five years and over.

Children of program employees must be included in determining the children to staff ratio.

Summary of Non-Compliance Finding:

During a compliant visit on 3/20/2025, it was determined that the staff to child ratio was previously not maintained when staff performing cooking duties were included in the staff to child ratio.

Corrections to be Made:

The cook cannot be included in the staff-to-child ratio while preparing meals. Staff counted in the ratio must be readily available to provide active supervision.

Corrections Made:

Staff to child ratio requirements were reviewed with the program director to assure compliance is maintained going forward.

Anticipated Completion Date:
April 02, 2025

Date Completed:
