Compliance Plan Action #1

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair. For a center program, a fence that measures at least four feet high is required around the center's outdoor play space. For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

The bottom fence connection to the pole near the building on the north side of the outside play area was found missing. One of the swing seats was found cracked and multiple swings with frayed string were found under the playset with the swings attached.

Corrections to be Made:
