Compliance Plan Action #1

Administrative Rule:

67:42:17:10

All providers shall be at least eighteen years of age and demonstrate and maintain the ability to provide care that attends to the child's physical growth and development and to the physical, emotional, cognitive, and social needs of the child, as determined by the department.

Summary of Non-Compliance Finding:

During the complaint investigation, it was determined that a provider did not demonstrate the ability to adequately attend to the needs of the children in care.

Corrections to be Made:

All providers must demonstrate and maintain the ability to provide care that attends to the needs of children.

Corrections Made:

The provider submitted a written plan of action outlining steps taken to address employee performance. Expectations were reviewed with the staff member involved, and necessary changes have been implemented to prevent a similar situation from reoccurring. These expectations include oversight and accountability from management to ensure ongoing compliance.

Anticipated Completion Date:
