The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:27

Before any medication is administered to a child, permission of the parent or guardian must be documented and must include the name of the child, the name of the medication, and the dates, times, and dosage of the medication. The medication must be provided by the parent and kept in the original container, with the original label. The label for a prescription medication must contain the child's name, the amount and frequency of dosage, the expiration date, the physician or other licensed practitioner's name, and instructions for storage. The medication must be returned to the parent when no longer needed or expired. The provider shall document, in the child's record, any medication administered to a child and shall include the dose, the name of the child, the time and date administered, and the name of the person administering the medication. The documentation must be retained for at least six months and be made available to the child's parent upon request.

Summary of Non-Compliance Finding:

During the inspection, a child's medication authorization form was missing an end date, and a child's allergy medication form listed a sibling who did not require that medication.

At the time of inspection, a child's medication documentation was observed to be expired, and the medication had not been returned to the parents.

Corrections to be Made:

The provider will ensure current documentation for all children's medications is obtained.

The provider will ensure current documentation for the child's medication is obtained or that the medication is returned to the parents.

Corrections Made:

The provider submitted current documentation for all children's medications to OLA.

The provider returned the medication no longer needed to the parents on 5/08/2025.

Anticipated Completion Date:

Compliance Plan Action #2

Administrative Rule:

67:42:17:42

A provider shall maintain a record for each child that includes:

- (1) The child's name and date of birth;
- (2) The parent or guardian's name and telephone number;
- (3) An emergency contact name and telephone number;
- (4) Parental permission for emergency medical treatment;
- (5) The names of individuals authorized to pick up the child;
- (6) Health information, including any allergies or special needs;
- (7) A current immunization record or, for a school-age program, the name of the child's school;
- (8) Parental permission for medication;
- (9) The child's attendance records;
- (10) The date of the child's enrollment; and
- (11) The date on which the child's enrollment ends.

The provider shall annually review and update each record required under this section, and make the child's record available to the department, upon request.

Summary of Non-Compliance Finding:

During the inspection, two children needed current vaccination records.

Corrections to be Made:

The provider will ensure that current vaccination records are obtained for both children.

Corrections Made:

The provider submitted documentation of current vaccination records for both children.

Anticipated Completion Date:

May 29, 2025

Date Completed:
