The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:42

A provider shall maintain a record for each child that includes:

- (1) The child's name and date of birth;
- (2) The parent or guardian's name and telephone number;
- (3) An emergency contact name and telephone number;
- (4) Parental permission for emergency medical treatment;
- (5) The names of individuals authorized to pick up the child;
- (6) Health information, including any allergies or special needs;
- (7) A current immunization record or, for a school-age program, the name of the child's school;
- (8) Parental permission for medication;
- (9) The child's attendance records;
- (10) The date of the child's enrollment; and
- (11) The date on which the child's enrollment ends.

The provider shall annually review and update each record required under this section, and make the child's record available to the department, upon request.

Summary of Non-Compliance Finding:

During the inspection, a child's records did not contain current immunization records.

Corrections to be Made:

The provider will ensure that current documentation of the child's immunizations is obtained.

Corrections Made:

The provider submitted documentation of the child's immunizations to OLA on 5/19/2025.

Anticipated Completion Date:
June 25, 2025

Date Completed:

Compliance Plan Action #2

Administrative Rule:

67:42:17:43

A provider shall have:

- (1) A written emergency preparedness and response plan for emergencies resulting from a natural disaster or a man-

caused event;

(2) A written plan for evacuation, relocation, shelter-in-place, or a lock-down, that includes accommodations for infants, toddlers, and children with disabilities or medical conditions;

(3) A written procedure for communication and reunification with parents; and

(4) A written procedure for the continuity of operations.

A provider shall practice the evacuation, shelter-in-place, and lock down procedures, outlined in the emergency preparedness and response plan, at least twice each calendar year. The provider shall document the dates on which the procedures are practiced. A provider shall communicate the emergency preparedness and response plan to each individual at the time the individual begins employment. Except for family day care, all child care providers shall have liability insurance. Proof of current liability insurance shall be made available to the department, upon request.

Summary of Non-Compliance Finding:

At the time of inspection, current documentation of two lock down procedures was not available.

Corrections to be Made:

The provider will ensure current documentation of two lock down procedures is submitted to OLA.

Corrections Made:

The provider submitted verification of two lockdown procedures on 06/05/2025.

Anticipated Completion Date:

June 25, 2025

Date Completed:

Compliance Plan Action #3

Administrative Rule:

67:42:17:33

A provider shall meet the following requirements regarding bathrooms:

(1) Bathroom facilities must be easily accessible by children and providers;

(2) Hot water for faucets normally used by children in care may not exceed one hundred twenty degrees Fahrenheit;

(3) Toilets and hand sinks must be kept clean and in good repair; and

(4) For child care centers and school-age programs:

(4a) All bathrooms must have natural or mechanical ventilation;

(4b) Separate bathrooms must be available for males and females;

(4c) Ratios for toilet and hand sinks must align with the minimum standards for plumbing and plumbing systems published by the plumbing commission.

Except in a family day care, hand sinks must be in the same room, or an unobstructed room adjacent to the diaper changing area. A handwashing sink used after diapering and toileting may not be used for food preparation.

Summary of Non-Compliance Finding:

During inspection, the hot water temperature of the hand sink reached 130 degrees Fahrenheit.

Corrections to be Made:

The provider will ensure the temperature of the hand sink does not exceed one hundred twenty degrees Fahrenheit.

Corrections Made:

The provider submitted verification to OLA that the hot water temperature of the hand sink is maintained below one hundred twenty degrees Fahrenheit on 6/17/2025.

Anticipated Completion Date:
June 05, 2025

Date Completed:
June 17, 2025
