The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:27

Before any medication is administered to a child, permission of the parent or guardian must be documented and must include the name of the child, the name of the medication, and the dates, times, and dosage of the medication.

The medication must be provided by the parent and kept in the original container, with the original label. The label for a prescription medication must contain the child's name, the amount and frequency of dosage, the expiration date, the physician or other licensed practitioner's name, and instructions for storage. The medication must be returned to the parent when no longer needed or expired.

The provider shall document, in the child's record, any medication administered to a child and shall include the dose, the name of the child, the time and date administered, and the name of the person administering the medication. The documentation must be retained for at least six months and be made available to the child's parent upon request.

Summary of Non-Compliance Finding:

During the inspection, a child's medication authorization form did not have proper start and end dates.

Corrections to be Made:

The provider will ensure that all proper start and end dates are documented on each medication authorization form.

Corrections Made:

The child's medication authorization form with all required criteria was submitted to OLA on 05/02/2025.

Anticipated Completion Date:
June 06, 2025

Date Completed:

Compliance Plan Action #2

Administrative Rule:

67:42:17:43

A provider shall have:

- (1) A written emergency preparedness and response plan for emergencies resulting from a natural disaster or a man-caused event;
- (2) A written plan for evacuation, relocation, shelter-in-place, or a lock-down, that includes accommodations for infants, toddlers, and children with disabilities or medical conditions;
- (3) A written procedure for communication and reunification with parents; and
- (4) A written procedure for the continuity of operations.

A provider shall practice the evacuation, shelter-in-place, and lock down procedures, outlined in the emergency preparedness and response plan, at least twice each calendar year. The provider shall document the dates on which the procedures are practiced. A provider shall communicate the emergency preparedness and response plan to each individual at the time the individual begins employment.

Except for family day care, all child care providers shall have liability insurance. Proof of current liability insurance shall be made available to the department, upon request.

Summary of Non-Compliance Finding:

At the time of inspection, the written emergency preparedness and response plan did not include alternate locations.

Corrections to be Made:

The provider will ensure that alternate locations are documented in the emergency preparedness and response plan.

Corrections Made:

The provider submitted current documentation of all required criteria for the emergency preparedness and response plan to OLA on 5/2/2025.

Anticipated Completion Date:

May 21, 2025

Date Completed:
