The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:32

All walls, ceilings, floors, and equipment must be easily cleanable, kept clean, and in good repair. Heating and cooling systems must maintain a temperature between sixty-five degrees Fahrenheit and seventy-five degrees Fahrenheit. For a child care center and school-age program, all heating and cooling systems must be inspected annually, by a certified technician.

Food preparation areas, including tables and countertops, must be made of a smooth, nonporous material, kept clean and sanitized, be free of cracks, and be in good repair. Center and school-age programs, in which more than twenty children are cared for, must provide a ventilation hood over all cooking areas. The hood must be appropriate for the type of appliance and intended use, as required in § 61:15:01:01.

Summary of Non-Compliance Finding:

A portable air conditioner became detached from the wall in an upstairs room, leaving an opening to the outside.

Corrections to be Made:

The portable air conditioner needs to be secured to the wall.

Corrections Made:

The provider submitted evidence to the Office of Licensing & Accreditation verifying that the portable air conditioner has been secured.

Anticipated Completion Date:

Compliance Plan Action #2

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

Several pieces of plastic playground equipment need to be replaced or repaired.

Corrections to be Made:

The playground equipment needs to be in good repair.

Corrections Made:

The provider submitted evidence to the Office of Licensing & Accreditation as proof that the plastic equipment has been removed from the playground area.

Anticipated Completion Date:

September 19, 2025

Date Completed:

August 26, 2025
