The following administrative rules have been found to be out of compliance. A corrective action plan is required to bring the provider into compliance. Continued non-compliance could lead to revocation of your license.

Corrective Action Plan #1

Administrative Rule:

67:42:17:17

All providers shall, within ninety days after the date of employment, complete and obtain documentation of orientation training in the following areas:

- (1) Prevention and control of infectious diseases;
- (2) Prevention of sudden infant death syndrome and the use of safe sleep practices, if infant care is provided;
- (3) Administration of medication;
- (4) Prevention of and response to an emergency due to food allergies and other allergic reactions;
- (5) Building and physical premises safety;
- (6) Prevention of shaken baby syndrome and abusive head trauma, if infant care is provided;
- (7) Emergency preparedness and response planning for an emergency resulting from a natural disaster or man-caused event;
- (8) Handling and storage of hazardous materials and the appropriate disposal of biological contaminants;
- (9) Precautions in transporting a child, if the program provides transportation;
- (10) Recognition and reporting of child abuse and neglect;
- (11) Pediatric first aid;
- (12) Pediatric cardiopulmonary resuscitation; and
- (13) Child development.

Before a provider may care for children without supervision, the provider must complete orientation training in each of the areas listed in this section.

Summary of Non-Compliance Finding:

During the Program Inspection conducted by the Office of Licensing & Accreditation on June 26, 2025, it was found that two providers were missing verification of orientation training. To date, one provider has not completed orientation training.

Corrective Action:

The provider who has not yet completed orientation training will obtain the required training and will not have unsupervised contact with children in care until the orientation is complete.

Supporting Evidence:

To verify compliance, the provider will submit the orientation training certificate(s) to the Office of Licensing & Accreditation no later than September 19, 2025.

The staff member left the program before completing the orientation training.

How Maintained:

The program will ensure that new providers complete orientation training within 90 days of hire and prior to having unsupervised contact with children.

Position Responsible:
Angie Anderson

Expected Completion Date:
September 19, 2025

Date Completed:

Corrective Action Plan #2**Administrative Rule:**

67:42:17:46

A provider shall complete pediatric first aid training every five years and maintain documentation of the training. A provider must be certified in pediatric cardiopulmonary resuscitation. The certification must include a hands-on skills test.

A provider shall work under supervision until the provider has completed the training required by this section. The supervisor shall have completed their pediatric first aid training and be certified in pediatric cardiopulmonary resuscitation.

Summary of Non-Compliance Finding:

During the Program Inspection conducted by the Office of Licensing & Accreditation on June 26, 2025, it was found that two providers were missing verification of Pediatric CPR Certification. To date, one provider does not have current Pediatric CPR Certification.

Corrective Action:

The provider will complete a Pediatric CPR certification class, which includes a hands-on skills test. Until the certification is completed, the provider will not be left unsupervised with children.

Supporting Evidence:

To verify compliance, a copy of the CPR certification must be submitted to the Office of Licensing & Accreditation by September 19, 2025.

How Maintained:

The program will ensure that new providers complete Pediatric CPR certification within 90 days of hire and prior to having unsupervised contact with children. All provider records will be reviewed annually to verify that current CPR certification is maintained.
