Compliance Plan Action #1

Administrative Rule:

67:42:17:21

A center or school-age program must maintain the following ratios:

- (1) Five children to one staff for children up to three years of age;
- (2) Ten children to one staff for children three through four years; and
- (3) Fifteen children to one staff for children five years and over.

Children of program employees must be included in determining the children to staff ratio.

Summary of Non-Compliance Finding:

During a recent complaint investigation conducted by the Office of Licensing & Accreditation, it was observed that a classroom, which requires a staff-to-child ratio of one to five, had one staff member supervising ten children for approximately forty-five minutes.

Corrections to be Made:

The program will ensure that all classrooms are maintaining the staff to child ratio that is established in ARSD 67:42:17:21.

Corrections Made:

The ratio issue was immediately corrected when brought to the director's attention. The program has since adjusted the staff schedule to bring another provider in earlier to ensure staff-to-child ratios are consistently maintained.
