The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:44

All toxic or hazardous substances must be:

- (1) Inaccessible to children;
- (2) Used according to manufacturer's instructions;
- (3) Stored in the original or other labeled container; and
- (4) Disposed of according to manufacturer recommendations.

Bio-contaminants must be handled and disposed of properly.

Soiled diapers must be changed promptly, in a designated area, on a non-porous surface. The diaper changing area must be clean and disinfected with a sanitizing solution approved by the department. Soiled diapers must be kept in a leakproof, nonabsorbent container that is covered with a tight-fitting lid.

Summary of Non-Compliance Finding:

In rooms B and C, the diaper-changing garbage containers were located under the sinks and were unlocked, making them accessible to children. The child lock in room B was fixed on the spot, while the child lock in room C was broken.

Corrections to be Made:

The program needs to repair the child lock in room C and provide evidence of completion to the Office of Licensing and Accreditation.

Corrections Made:

The program provided evidence of the repaired child lock in room C to the Office of Licensing and Accreditation.

Anticipated Completion Date:
October 17, 2025

Date Completed:
September 30, 2025

Your signature below certifies you have read and understand the non-compliance findings and agree to make corrections to be compliant with the identified administrative rules.
