The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer’s instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center’s outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

During inspection, the rock climbing wall on the southwest playground appeared to be cracked, creating a pinching hazard.

Corrections to be Made:

The provider will ensure that the playground equipment is maintained and in good repair by October 31, 2025.

Corrections Made:

Documentation showing the repaired playground equipment was submitted.

Anticipated Completion Date:
October 31, 2025

Date Completed:
October 30, 2025

Your signature below certifies you have read and understand the non-compliance findings and agree to make corrections to be compliant with the identified administrative rules.
