The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:21

A center or school-age program must maintain the following ratios:

- (1) Five children to one staff for children up to three years of age;
- (2) Ten children to one staff for children three through four years; and
- (3) Fifteen children to one staff for children five years and over.

Children of program employees must be included in determining the children to staff ratio.

Summary of Non-Compliance Finding:

During a complaint investigation conducted by the Office of Licensing & Accreditation on October 23, 2025, it was determined that the staff to child ratio was not being consistently maintained.

Corrections to be Made:

The correct ratios need to be maintained at all times. The program will review ratio requirements with all providers. The program will develop a plan to address issues affecting the ability to maintain the required ratios.

Corrections Made:

Verification was received that ratio requirements were reviewed with providers, and a plan has been implemented to correct issues affecting the ability to maintain ratio requirements.

Anticipated Completion Date:

November 27, 2025

Date Completed:

November 24, 2025

Your signature below certifies you have read and understand the non-compliance findings and agree to make corrections to be compliant with the identified administrative rules.
