
Date Issued	January 26, 2026	Status	Closed
Provider Name	KIDS CLUB KIDS MOUNTAIN VIEW		
Provider ID	016598118		
Provider Address	400 E Hudson St, Spearfish, SD 57783, USA		
Provider Contact	SARAH MOYER		

The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:39

For family day care providers, unused electrical outlets must have an outlet plug cover, have a tamper-resistant cover, or be made inaccessible to a child.

For center and school-age programs, unused electrical outlets must have a self-closing outlet cover or tamper-resistant cover.

Summary of Non-Compliance Finding:

Three outlets in the program did not have self-closing covers.

Corrections to be Made:

Program must ensure outlet covers are self-closing or tamper-resistant and send in verification to the Office of Licensing and Accreditation.

Corrections Made:

The program advised the Office of Licensing and Accreditation that the outlets meet compliance.

Anticipated Completion Date:

January 26, 2026

Date Completed:

October 15, 2025

Compliance Plan Action #2

Administrative Rule:

67:42:17:37

Center and school-age programs operating outside of a school building shall follow applicable construction and fire safety requirements, as outlined in chapters 61:15:05 and 61:15:06. School-age programs operating in a school building shall follow applicable construction and fire safety requirements, as outlined in chapters 61:15:01, 61:15:02, and 61:15:07.

A family day care home must have the following fire safety measures in place:

- (1) A working smoke detector must be located on each level of the home;
- (2) A fully charged, portable fire extinguisher, with a minimum 2A rating, as identified on the extinguisher label, must be kept in or within fifteen feet of the kitchen or food preparation area;
- (3) A carbon monoxide detector must be installed, according to the manufacturer's instructions, if a fuel burning appliance is present in the home;
- (4) Each level of the home must have at least two remote exits that shall remain clear of obstructions. One of these exits must be a standard-sized door, and the other may be either a standard-sized door or an unobstructed, operable window, having at least five square feet of openable space, with a minimum width of twenty inches and a minimum height of twenty-four inches; and
- (5) Whenever a portable space heater, a wood burning stove, or a fireplace is in use, the heater, stove, or fireplace must be inaccessible to children.

Summary of Non-Compliance Finding:

Program could not locate the carbon monoxide detector.

Corrections to be Made:

A carbon monoxide detector must be installed and verification must be submitted to the Office of Licensing and Accreditation.

Corrections Made:

The program installed a new carbon monoxide detector and verification was sent to the Office of Licensing and Accreditation.

Anticipated Completion Date:

January 26, 2026

Date Completed:

October 15, 2025

Compliance Plan Action #3

Administrative Rule:

67:42:17:32

All walls, ceilings, floors, and equipment must be easily cleanable, kept clean, and in good repair. Heating and cooling systems must maintain a temperature between sixty-five degrees Fahrenheit and seventy-five degrees Fahrenheit. For a child care center and school-age program, all heating and cooling systems must be inspected annually, by a certified technician.

Food preparation areas, including tables and countertops, must be made of a smooth, nonporous material, kept clean and sanitized, be free of cracks, and be in good repair. Center and school-age programs, in which more than twenty children are cared for, must provide a ventilation hood over all cooking areas. The hood must be appropriate for the type of appliance and intended use, as required in § 61:15:01:01.

Summary of Non-Compliance Finding:

The annual heating and cooling inspection could not be located.

Corrections to be Made:

The program must have verification that the heating and cooling has been inspected on an annual basis.

Corrections Made:

Verification of the inspection of the heating and cooling was sent to the Department of Public Safety inspector.

Anticipated Completion Date:
October 17, 2025

Date Completed:
October 03, 2025

Your signature below certifies you have read and understand the non-compliance findings and agree to make corrections to be compliant with the identified administrative rules.
