### Compliance Plan Action #1

**Administrative Rule:**

67:42:17:25

All equipment, utensils, kitchenware, dining tables, and food contact surfaces of equipment must be washed, rinsed, and sanitized after each meal. Toys capable of being placed in a child's mouth must be cleaned and sanitized daily, using a solution approved by the department.

All providers, program employees, and children shall wash their hands with soap, before preparing food or beverages, eating, handling food, or feeding a child, and after changing a diaper, using the toilet, helping a child use a toilet, or coming into contact with bodily fluid.

**Summary of Non-Compliance Finding:**

During the observation, a provider changed a child's diaper and then proceeded to change another child without washing their hands or sanitizing the diaper changing mat between children.

**Corrections to be Made:**

The Director will review proper diaper-changing procedures with the provider and observe the provider's practices to ensure compliance with diaper-changing and handwashing requirements.

**Corrections Made:**

The Director reviewed proper diaper-changing procedures with the provider on March 6, 2026.

**Anticipated Completion Date:**  
March 13, 2026

**Date Completed:**

### Compliance Plan Action #2

**Administrative Rule:**

67:42:17:27

Before any medication is administered to a child, permission of the parent or guardian must be documented and must include the name of the child, the name of the medication, and the dates, times, and dosage of the medication.

The medication must be provided by the parent and kept in the original container, with the original label. The label for a

prescription medication must contain the child's name, the amount and frequency of dosage, the expiration date, the physician or other licensed practitioner's name, and instructions for storage. The medication must be returned to the parent when no longer needed or expired.

The provider shall document, in the child's record, any medication administered to a child and shall include the dose, the name of the child, the time and date administered, and the name of the person administering the medication. The documentation must be retained for at least six months and be made available to the child's parent upon request.

**Summary of Non-Compliance Finding:**

The program had an expired EpiPen without a prescription label.

**Corrections to be Made:**

The program returned the expired medication to the parent and requested a new prescription Epi Pen.

**Corrections Made:**

The program returned the expired medication to the parent and notified the Office of Licensing and Accreditation.

**Anticipated Completion Date:**

March 27, 2026

**Date Completed:**
