Compliance Plan Action #1

Administrative Rule:

67:42:17:27

Before any medication is administered to a child, permission of the parent or guardian must be documented and must include the name of the child, the name of the medication, and the dates, times, and dosage of the medication.

The medication must be provided by the parent and kept in the original container, with the original label. The label for a prescription medication must contain the child's name, the amount and frequency of dosage, the expiration date, the physician or other licensed practitioner's name, and instructions for storage. The medication must be returned to the parent when no longer needed or expired.

The provider shall document, in the child's record, any medication administered to a child and shall include the dose, the name of the child, the time and date administered, and the name of the person administering the medication. The documentation must be retained for at least six months and be made available to the child's parent upon request.

Summary of Non-Compliance Finding:

The program did not obtain written consent to administer medication for all medicines in its possession.

Corrections to be Made:

The program will obtain written permission to administer medication and provide copies to the Office of Licensing and Accreditation.

Corrections Made:

The program provided the written permission to administer medication to the Office of Licensing and Accreditation.

Anticipated Completion Date:

67:42:17:42

A provider shall maintain a record for each child that includes:

- (1) The child's name and date of birth;
- (2) The parent or guardian's name and telephone number;
- (3) An emergency contact name and telephone number;
- (4) Parental permission for emergency medical treatment;
- (5) The names of individuals authorized to pick up the child;
- (6) Health information, including any allergies or special needs;
- (7) A current immunization record or, for a school-age program, the name of the child's school;
- (8) Parental permission for medication;
- (9) The child's attendance records;
- (10) The date of the child's enrollment; and
- (11) The date on which the child's enrollment ends.

The provider shall annually review and update each record required under this section, and make the child's record available to the department, upon request.

Summary of Non-Compliance Finding:

The program had child files without updated shot records.

Corrections to be Made:

The program will obtain the updated shot records and provide copies to the Office of Licensing and Accreditation.

Corrections Made:

Compliance Plan Action #3

Administrative Rule:

67:42:17:43

A provider shall have:

- (1) A written emergency preparedness and response plan for emergencies resulting from a natural disaster or a man-caused event;
- (2) A written plan for evacuation, relocation, shelter-in-place, or a lock-down, that includes accommodations for infants, toddlers, and children with disabilities or medical conditions;
- (3) A written procedure for communication and reunification with parents; and
- (4) A written procedure for the continuity of operations.

A provider shall practice the evacuation, shelter-in-place, and lock down procedures, outlined in the emergency preparedness and response plan, at least twice each calendar year. The provider shall document the dates on which the procedures are practiced. A provider shall communicate the emergency preparedness and response plan to each individual at the time the individual begins employment.

Except for family day care, all child care providers shall have liability insurance. Proof of current liability insurance shall be made available to the department, upon request.

Summary of Non-Compliance Finding:

During the inspection, the program was unable to locate the emergency preparedness plan.
The new providers were unable to explain what to do in case of an emergency.

Corrections to be Made:

The program will provide the Office of Licensing and Accreditation with a copy of their emergency preparedness plan.
The program will provide a plan to ensure all providers have been trained on the emergency preparedness plan.
The program will train all providers on the emergency preparedness plan and provide documentation of completion to the Office of Licensing and Accreditation.

Corrections Made:

The program provided the Office of Licensing and Accreditation with a copy of their emergency preparedness plan.
The program provided a plan to ensure all providers have been trained on the emergency preparedness plan.
The program retrained all providers on the emergency preparedness plan and provided documentation of completion to the Office of Licensing and Accreditation.
