Compliance Plan Action #1

Administrative Rule:

67:42:17:18

All providers must obtain annual training in the topic areas identified in 45 C.F.R. § 98.41, in effect on September 30, 2016, or as identified by the department. Training must be documented and relevant to the provider's position as determined by the department. Training may include on-site or online classes. Pediatric cardiopulmonary resuscitation renewal may not be included in annual training.

Each director and provider of center and school-age programs counted in staff-child ratios shall complete ten hours of annual training.

Each provider of family day care counted in staff-child ratios shall complete six hours of annual training.

Orientation training hours qualify as annual training hours for each provider in the year the training was completed.

Every five years, all providers shall complete additional, advanced training in each of the training areas listed in § 67:42:17:17.

Summary of Non-Compliance Finding:

One provider did not complete their 2025 ten hour annual training requirement.

Corrections to be Made:

Provider will make up the 2025 annual training hours and submit verification to the Office of Licensing & Accreditation.

Corrections Made:

Provider made up the 2025 annual training hours and submitted verification to the Office of Licensing & Accreditation.

Anticipated Completion Date:

All providers shall, within ninety days after the date of employment, complete and obtain documentation of orientation training in the following areas:

- (1) Prevention and control of infectious diseases;
- (2) Prevention of sudden infant death syndrome and the use of safe sleep practices, if infant care is provided;
- (3) Administration of medication;
- (4) Prevention of and response to an emergency due to food allergies and other allergic reactions;
- (5) Building and physical premises safety;
- (6) Prevention of shaken baby syndrome and abusive head trauma, if infant care is provided;
- (7) Emergency preparedness and response planning for an emergency resulting from a natural disaster or man-caused event;
- (8) Handling and storage of hazardous materials and the appropriate disposal of biological contaminants;
- (9) Precautions in transporting a child, if the program provides transportation;
- (10) Recognition and reporting of child abuse and neglect;
- (11) Pediatric first aid;
- (12) Pediatric cardiopulmonary resuscitation; and
- (13) Child development.

Before a provider may care for children without supervision, the provider must complete orientation training in each of the areas listed in this section.

Summary of Non-Compliance Finding:

One provider has not submitted verification of completion of the Orientation Training within ninety days of hire.

Corrections to be Made:

Provider will submit verification of completion of the Orientation Training to the Office of Licensing & Accreditation.

Corrections Made:

Provider submitted verification of the completed Orientation Training to the Office of Licensing & Accreditation.

Anticipated Completion Date:

Compliance Plan Action #4

Administrative Rule:

67:42:17:13

All child care providers, program employees age fourteen and older, and family day care household members age eighteen and older, shall meet federal background check requirements. An individual may not provide care, or work in a child care setting, if the individual's background check reveals:

- (1) A crime that indicates harmful behavior towards children;
- (2) A crime of violence, as defined in SDCL 22-1-2, or in a similar statute from another state;
- (3) A sex crime pursuant to SDCL chapters 22-22 or 22-24A, SDCL 22-22A-3, or similar statutes from another state;
- (4) A felony conviction for domestic abuse, physical assault, battery, kidnapping, or arson;
- (5) Any other felony conviction, within the preceding five years; or
- (6) A substantiated report of child abuse or neglect.

A family day care provider may not provide care in the provider's home, if any household member's background check reveals any item listed in this section.

A background check is required at least once every five years.

Summary of Non-Compliance Finding:

One provider does not have a current background check on file.

Corrections to be Made:

A current background check will be completed for the provider and verification will be submitted to the Office of Licensing & Accreditation.

Corrections Made:

A current background check was obtained for the provider and verification submitted to the Office of Licensing & Accreditation.

Anticipated Completion Date:
