Compliance Plan Action #1

Administrative Rule:

67:42:17:32

All walls, ceilings, floors, and equipment must be easily cleanable, kept clean, and in good repair. Heating and cooling systems must maintain a temperature between sixty-five degrees Fahrenheit and seventy-five degrees Fahrenheit. For a child care center and school-age program, all heating and cooling systems must be inspected annually, by a certified technician.

Food preparation areas, including tables and countertops, must be made of a smooth, nonporous material, kept clean and sanitized, be free of cracks, and be in good repair. Center and school-age programs, in which more than twenty children are cared for, must provide a ventilation hood over all cooking areas. The hood must be appropriate for the type of appliance and intended use, as required in § 61:15:01:01.

Summary of Non-Compliance Finding:

The program did not have verification that the heating and cooling unit had been inspected in the last year.

In corridors providing access to exits, combustible decorations covered more than 10% of the wall area.

Corrections to be Made:

Verification that the heating and cooling unit has been inspected must be submitted to the Office of Licensing and Accreditation.

Wall covering must be removed in the corridors providing access to exits. A picture must be submitted to the Office of Licensing and Accreditation.

Corrections Made:

The heating and cooling unit annual inspection was submitted to the Office of Licensing and Accreditation.

Pictures that the exits were cleared of combustible materials were submitted to the Office of Licensing and Accreditation.
