### Compliance Plan Action #1

**Administrative Rule:**

67:42:17:42

A provider shall maintain a record for each child that includes:

- (1) The child's name and date of birth;
- (2) The parent or guardian's name and telephone number;
- (3) An emergency contact name and telephone number;
- (4) Parental permission for emergency medical treatment;
- (5) The names of individuals authorized to pick up the child;
- (6) Health information, including any allergies or special needs;
- (7) A current immunization record or, for a school-age program, the name of the child's school;
- (8) Parental permission for medication;
- (9) The child's attendance records;
- (10) The date of the child's enrollment; and
- (11) The date on which the child's enrollment ends.

The provider shall annually review and update each record required under this section, and make the child's record available to the department, upon request.

**Summary of Non-Compliance Finding:**

Updated immunizations are needed for two children.

**Corrections to be Made:**

A record verifying current immunization status is to be obtained for the files.

**Corrections Made:**

Verification was received that the issue was corrected.

**Anticipated Completion Date:**  
April 12, 2026

**Date Completed:**

**Compliance Plan Action #2**

**Administrative Rule:**

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer’s instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center’s outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

**Summary of Non-Compliance Finding:**

A plastic picnic table had a broken section in need of repair and a swing was attached to a tree.

**Corrections to be Made:**

The table needs to be repaired or removed and the swing must be attached to a stable frame.

**Corrections Made:**

Both items were removed from the outdoor play area.

**Anticipated Completion Date:**

March 26, 2026

**Date Completed:**

March 12, 2026

**Your signature below certifies you have read and understand the non-compliance findings and agree to make corrections to be compliant with the identified administrative rules.**
