Compliance Plan Action #2

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

At the time of the inspection, a trampoline was observed in the backyard play area.

Corrections to be Made:

Trampoline to be removed or made inaccessible to the children. Documentation to be provided to the Office of Licensing and Accreditation.

Corrections Made:

It was observed during a monitoring visit on 03-26-2026 that the trampoline is not longer accessible to the children.

Compliance Plan Action #3

Administrative Rule:

67:42:17:42

A provider shall maintain a record for each child that includes:

- (1) The child's name and date of birth;
- (2) The parent or guardian's name and telephone number;
- (3) An emergency contact name and telephone number;
- (4) Parental permission for emergency medical treatment;
- (5) The names of individuals authorized to pick up the child;
- (6) Health information, including any allergies or special needs;
- (7) A current immunization record or, for a school-age program, the name of the child's school;
- (8) Parental permission for medication;
- (9) The child's attendance records;
- (10) The date of the child's enrollment; and
- (11) The date on which the child's enrollment ends.

The provider shall annually review and update each record required under this section, and make the child's record available to the department, upon request.

Summary of Non-Compliance Finding:

At the time of the inspection, four children did not have current immunization records on file.

Corrections to be Made:

Current shot records to be on file and copies provided to the Office of Licensing and Accreditation.

Corrections Made:

Copies of all required current shot records were received by 04-23-2026.

Anticipated Completion Date:
March 27, 2026

Date Completed:

Compliance Plan Action #4

Administrative Rule:

67:42:17:43

A provider shall have:

- (1) A written emergency preparedness and response plan for emergencies resulting from a natural disaster or a man-caused event;
- (2) A written plan for evacuation, relocation, shelter-in-place, or a lock-down, that includes accommodations for infants, toddlers, and children with disabilities or medical conditions;
- (3) A written procedure for communication and reunification with parents; and
- (4) A written procedure for the continuity of operations.

A provider shall practice the evacuation, shelter-in-place, and lock down procedures, outlined in the emergency preparedness and response plan, at least twice each calendar year. The provider shall document the dates on which the procedures are practiced. A provider shall communicate the emergency preparedness and response plan to each individual at the time the individual begins employment.

Except for family day care, all child care providers shall have liability insurance. Proof of current liability insurance shall be made available to the department, upon request.

Summary of Non-Compliance Finding:

At the time of the inspection, the Emergency Preparedness and Response plan did not include an evacuation site.

Corrections to be Made:

An evacuation site to be identified and recorded on the plan. Documentation of the evacuation site to be provided to the Office of Licensing and Accreditation.

Corrections Made:

The updated plan was observed on 03-26-2026.

Anticipated Completion Date:
March 25, 2026

Date Completed:
March 26, 2026

Compliance Plan Action #5

Administrative Rule:

67:42:17:25

All equipment, utensils, kitchenware, dining tables, and food contact surfaces of equipment must be washed, rinsed, and sanitized after each meal. Toys capable of being placed in a child's mouth must be cleaned and sanitized daily, using a solution approved by the department.

All providers, program employees, and children shall wash their hands with soap, before preparing food or beverages, eating, handling food, or feeding a child, and after changing a diaper, using the toilet, helping a child use a toilet, or coming into contact with bodily fluid.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider is not using an approved sanitization method for the toys capable of being

placed in a child's mouth.

Corrections to be Made:

The provider will begin using an approved method for sanitizing the mouthable toys. Toys may be placed in the dishwasher or approved solution used. Provider to advise Office of Licensing and Accreditation of chosen procedure.

Corrections Made:

Appropriate solution was observed at the family daycare home on 03-26-2026.

Anticipated Completion Date:
March 27, 2026

Date Completed:

Compliance Plan Action #6

Administrative Rule:

67:42:17:38

The following must be inaccessible to a child:

- (1) Firearms;
- (2) Pellet guns, BB guns, and cap guns;
- (3) Matches and lighters;
- (4) Tobacco products;
- (5) Choking and strangulation hazards;
- (6) Items capable of being pulled or tipped onto a child;
- (7) A platform measuring more than thirty inches above ground level, unless surrounded by a railing that is at least thirty-six inches tall with no more than five inches between openings; and
- (8) Other hazardous condition as identified by the department.

The department may direct a provider to remove or correct a hazardous condition or circumstance not covered in this chapter, if the department considers the conditions or circumstances to have the potential to cause injury or illness to the children in care.

Summary of Non-Compliance Finding:

At the time of the inspection, the railing surrounding the deck at the rear of the home does not meet compliance. There are openings greater than five inches in several areas.

Corrections to be Made:

Openings on the deck railing to be 5 inches or less. Documentation of correction to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Provider has installed additional spindles so that the openings are 5 inches or less.

Compliance Plan Action #7

Administrative Rule:

67:42:17:44

All toxic or hazardous substances must be:

- (1) Inaccessible to children;
- (2) Used according to manufacturer’s instructions;
- (3) Stored in the original or other labeled container; and
- (4) Disposed of according to manufacturer recommendations.

Bio-contaminants must be handled and disposed of properly.

Soiled diapers must be changed promptly, in a designated area, on a non-porous surface. The diaper changing area must be clean and disinfected with a sanitizing solution approved by the department. Soiled diapers must be kept in a leakproof, nonabsorbent container that is covered with a tight-fitting lid.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider is not using an approved sanitizing solution for the diaper changing area.

Corrections to be Made:

The provider has been educated as to the approved sanitizing ratio. She has agreed to begin using the approved solution, beginning immediately and moving forward.

Corrections Made:

Appropriate solution was observed at the family daycare home on 03-26-2026.

Anticipated Completion Date:

March 25, 2026

Date Completed:
