Compliance Plan Action #1

Administrative Rule:

67:42:17:39

For family day care providers, unused electrical outlets must have an outlet plug cover, have a tamper-resistant cover, or be made inaccessible to a child.

For center and school-age programs, unused electrical outlets must have a self-closing outlet cover or tamper-resistant cover.

Summary of Non-Compliance Finding:

Outlets in the rooms used for child care are not tamper resistant.

Corrections to be Made:

For center programs, unused electrical outlets must have a self-closing outlet cover or tamper-resistant cover.

Corrections Made:

All outlets in the rooms used for child care were replaced to be tamper resistant.

Anticipated Completion Date:

Compliance Plan Action #2

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

Metal cables that are attached to a couple pieces of playground equipment are frayed and have exposed metal cords.

Corrections to be Made:

Playgrounds for all child care settings must be safe and in good repair.

Corrections Made:

All metal cords were repaired so they were not exposed and are in good condition.

Anticipated Completion Date:

April 26, 2026

Date Completed:

April 13, 2026
