The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:18

All providers must obtain annual training in the topic areas identified in 45 C.F.R. § 98.41, in effect on September 30, 2016, or as identified by the department. Training must be documented and relevant to the provider's position as determined by the department. Training may include on-site or online classes. Pediatric cardiopulmonary resuscitation renewal may not be included in annual training.

Each director and provider of center and school-age programs counted in staff-child ratios shall complete ten hours of annual training.

Each provider of family day care counted in staff-child ratios shall complete six hours of annual training.

Orientation training hours qualify as annual training hours for each provider in the year the training was completed.

Every five years, all providers shall complete additional, advanced training in each of the training areas listed in § 67:42:17:17.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider did not have documentation of required training hours.

Corrections to be Made:

Documentation of required training hours to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Documentation of six hours of training received on 05-05-2026.

Anticipated Completion Date:

June 04, 2026

Date Completed:

May 05, 2026

Compliance Plan Action #2

Administrative Rule:

67:42:17:33

A provider shall meet the following requirements regarding bathrooms:

- (1) Bathroom facilities must be easily accessible by children and providers;
- (2) Hot water for faucets normally used by children in care may not exceed one hundred twenty degrees Fahrenheit;
- (3) Toilets and hand sinks must be kept clean and in good repair; and
- (4) For child care centers and school-age programs:
 - (a) All bathrooms must have natural or mechanical ventilation;
 - (b) Separate bathrooms must be available for males and females;
 - (c) Ratios for toilet and hand sinks must align with the minimum standards for plumbing and plumbing systems published by the plumbing commission.

Except in a family day care, hand sinks must be in the same room, or an unobstructed room adjacent to the diaper changing area. A handwashing sink used after diapering and toileting may not be used for food preparation.

Summary of Non-Compliance Finding:

At the time of the inspection, the hot water temperature at the sink used by the children was measured at 140 degrees.

Corrections to be Made:

Water temperature to be no more than 120 degrees. Documentation of temperature to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Documentation received that hot water measures at 105 degrees as of 05-05-2026.

Anticipated Completion Date:

June 04, 2026

Date Completed:

May 05, 2026

Compliance Plan Action #3

Administrative Rule:

67:42:17:40

A pet, while permitted in the presence of children receiving care, must be current with its vaccinations, and have clean and sanitary living areas, at all times.

A pet with a history of aggressive behavior, which poses a risk to the safety of children, must be confined and kept away from children.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider did not have documentation of current immunizations for their cat.

Corrections to be Made:

Documentation of current immunization for the cat to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Documentation of current shot records for cat received on 05-05-2026.

Anticipated Completion Date:

June 04, 2026

Date Completed:

May 05, 2026

Compliance Plan Action #4**Administrative Rule:**

67:42:17:24

Before a child may be admitted to a registered or licensed day care provider, the provider must require the child's parent or guardian to submit a statement, signed by a licensed physician, physician's assistant, certified nurse practitioner, or community health nurse, or an immunization record from the South Dakota Immunization Information System, showing that the child meets the minimum immunization requirements according to 45 C.F.R. § 98.41(a)(1)(i)(A), in effect on September 30, 2016.

The provider shall ensure that immunizations of all children are current.

For children who begin the series late or are more than one month behind in immunizations, the documentation must show progress toward achieving immunization requirements, as determined by a licensed physician, or other licensed practitioner. A grace period may be approved by the department for a child experiencing homelessness or a child in foster care.

A child is exempt from meeting the minimum age-specific immunization levels if:

- (1) The child's parent or guardian has certification from a licensed physician, or other licensed practitioner, stating that the physical condition of the child is such that an immunization would endanger the child's life or health; or
- (2) The child's parent or guardian has signed a written statement that the child is an adherent to a religious doctrine whose teachings are opposed to such immunizations.

If a child becomes ill while at a day care, the provider must separate the child from other children and notify the child's parents. If any child in the program contracts a communicable disease, the provider must notify the Department of Health. The program provider shall follow the Department of Health's recommendations for addressing a situation involving a communicable disease.

To prevent the spread of an infestation or infectious disease, a program shall provide an individual storage unit or container for each child's personal articles.

Summary of Non-Compliance Finding:

At the time of the inspection, three children did not have current immunization records on file.

Corrections to be Made:

Copies of current immunization records to be obtained and copies provided to the Office of Licensing and Accreditation.

Corrections Made:

Copies of updated shot records received on 05-13-2026.

Anticipated Completion Date:
June 04, 2026

Date Completed:
May 13, 2026
