Pediatric cardiopulmonary resuscitation renewal may not be included in annual training.

Each director and provider of center and school-age programs counted in staff-child ratios shall complete ten hours of annual training.

Each provider of family day care counted in staff-child ratios shall complete six hours of annual training.

Orientation training hours qualify as annual training hours for each provider in the year the training was completed.

Every five years, all providers shall complete additional, advanced training in each of the training areas listed in § 67:42:17:17.
