The following administrative rules have been found to be out of compliance. A corrective action plan is required to bring the provider into compliance. Continued non-compliance could lead to revocation of your license.

Corrective Action Plan #1

Administrative Rule:

67:42:17:26

A nap mat, blanket, or other sleep surface, other than the floor, for children over one year of age must be available for each child during nap time.

A sleep surface must be maintained in good repair.

A provider shall follow the safe sleep practices contained in **Caring for Our Children: National Health and Safety Performance Standards, 4th Edition**, for infants under the age of one.

Summary of Non-Compliance Finding:

During the program's annual facility safety inspection conducted on June 26, 2026, an infant was observed sleeping with a blanket in the sleep environment.

Previous non-compliance:

During the program's annual program inspection conducted on January 21, 2026, an infant was observed sleeping in a swing.

Corrective Action:

1. All infants under one year of age must immediately be placed to sleep only in an approved crib or pack-and-play with a firm mattress and fitted sheet, in accordance with the safe sleep requirements outlined in *Caring for Our Children: National Health and Safety Performance Standards, 4th Edition*.
2. All infant sleep environments must remain free of blankets, stuffed animals, toys, pillows, pacifier clips or strings, bibs, and any other loose items.
3. The director will conduct and document daily inspections of all infant sleep environments prior to children arriving and throughout infant day to ensure ongoing compliance with safe sleep requirements.
4. All staff who provide care for infants, including the director and any staff who may assist in the infant classroom, will complete the "Safe Sleep Environments for Infants" training provided by Sanford CHILD Services by **July 31, 2026**.
5. The program will utilize Sanford CHILD Services to provide coaching and technical assistance to support compliance with safe sleep requirements. Sanford CHILD Services may assist the program in reviewing and strengthening its safe sleep policy, supervision practices, and implementation of safe sleep procedures. Services will be scheduled by **July 8, 2026**, and initiated no later than **July 15, 2026**.

Supporting Evidence:

1. Maintain completed daily infant sleep environment inspection logs until **August 31, 2026**. The documentation will be made available for review upon request by the Office of Licensing and Accreditation (OLA).
2. The "Safe Sleep Environment for Infants" training certificates will be retained for OLA to review.
3. Documentation from Sanford CHILD Services verifying technical assistance provided, including dates of services and topics covered, will be submitted to OLA by **August 31, 2026**.
4. OLA will conduct monitoring visits for a period of 60 days to verify ongoing compliance with safe sleep practices.

How Maintained:

1. The Director is responsible for ensuring ongoing compliance with all safe sleep requirements at all times.
2. Providers will visually inspect all infant sleep areas before placing a child to sleep to ensure no prohibited items are present.
3. Providers will consistently follow safe sleep practices, including placing infants on firm, flat, non-inclined sleep surfaces in accordance with program policy and licensing requirements.
4. The Director will provide ongoing monitoring, guidance, and technical assistance to reinforce safe sleep practices for all current and newly hired providers.
