The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:46

A provider shall complete pediatric first aid training every five years and maintain documentation of the training. A provider must be certified in pediatric cardiopulmonary resuscitation. The certification must include a hands-on skills test.

A provider shall work under supervision until the provider has completed the training required by this section. The supervisor shall have completed their pediatric first aid training and be certified in pediatric cardiopulmonary resuscitation.

Summary of Non-Compliance Finding:

At the time of the inspection, the pediatric CPR certification had expired for the provider and assistant.

Corrections to be Made:

Current pediatric CPR certification to be obtained by the provider and assistant. Documentation of current certification to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Confirmation received that the provider and assistant completed hands-on CPR certification on 06-30-2026.

Anticipated Completion Date:	Date Completed:
July 01, 2026	June 30, 2026

Compliance Plan Action #2

Administrative Rule:

67:42:17:24

Before a child may be admitted to a registered or licensed day care provider, the provider must require the child's parent or guardian to submit a statement, signed by a licensed physician, physician's assistant, certified nurse practitioner, or community health nurse, or an immunization record from the South Dakota Immunization Information System, showing that the child meets the minimum immunization requirements according to 45 C.F.R. § 98.41(a)(1)(i)(A), in effect on September 30, 2016.

The provider shall ensure that immunizations of all children are current.

For children who begin the series late or are more than one month behind in immunizations, the documentation must show progress toward achieving immunization requirements, as determined by a licensed physician, or other licensed practitioner. A grace period may be approved by the department for a child experiencing homelessness or a child in foster care.

A child is exempt from meeting the minimum age-specific immunization levels if:

(1) The child's parent or guardian has certification from a licensed physician, or other licensed practitioner, stating that the physical condition of the child is such that an immunization would endanger the child's life or health; or
(2) The child's parent or guardian has signed a written statement that the child is an adherent to a religious doctrine whose teachings are opposed to such immunizations.

If a child becomes ill while at a day care, the provider must separate the child from other children and notify the child's parents. If any child in the program contracts a communicable disease, the provider must notify the Department of Health. The program provider shall follow the Department of Health's recommendations for addressing a situation involving a communicable disease.

To prevent the spread of an infestation or infectious disease, a program shall provide an individual storage unit or container for each child's personal articles.

Summary of Non-Compliance Finding:

At the time of the inspection, one child did not have a copy of current immunization records in their file.

Corrections to be Made:

Documentation of current immunization records to be obtained and a copy provided to the Office of Licensing and Accreditation.

Corrections Made:

Documentation of current shot records received on 06-03-2026.

Anticipated Completion Date:	**Date Completed:**
July 01, 2026	June 03, 2026

Compliance Plan Action #3

Administrative Rule:

67:42:17:42

A provider shall maintain a record for each child that includes:

(1) The child's name and date of birth;
(2) The parent or guardian's name and telephone number;
(3) An emergency contact name and telephone number;
(4) Parental permission for emergency medical treatment;

(5) The names of individuals authorized to pick up the child;
(6) Health information, including any allergies or special needs;
(7) A current immunization record or, for a school-age program, the name of the child's school;
(8) Parental permission for medication;
(9) The child's attendance records;
(10) The date of the child's enrollment; and
(11) The date on which the child's enrollment ends.

The provider shall annually review and update each record required under this section, and make the child's record available to the department, upon request.

Summary of Non-Compliance Finding:
At the time of the inspection, one child did not have their name recorded on the enrollment record.

Corrections to be Made:
Child's name to be added to the enrollment record and a copy of the updated record to be provided to the Office of Licensing and Accreditation.

Corrections Made:
Updated enrollment record received on 06-03-2026.

Anticipated Completion Date:	Date Completed:
July 01, 2026	June 03, 2026

Compliance Plan Action #4

Administrative Rule:
67:42:17:25
All equipment, utensils, kitchenware, dining tables, and food contact surfaces of equipment must be washed, rinsed, and sanitized after each meal. Toys capable of being placed in a child's mouth must be cleaned and sanitized daily, using a solution approved by the department.

All providers, program employees, and children shall wash their hands with soap, before preparing food or beverages, eating, handling food, or feeding a child, and after changing a diaper, using the toilet, helping a child use a toilet, or coming into contact with bodily fluid.

Summary of Non-Compliance Finding:
At the time of the inspection, the provider was not using an approved sanitizing solution for the mouthable toys.

Corrections to be Made:
Approved sanitizing solution to be used for the mouthable toys.

Corrections Made:
Provider was educated as to how to appropriately mix the sanitizing solution for the mouthable toys. Corrected at the time of the inspection.

Anticipated Completion Date:
June 19, 2026

Date Completed:

School-age programs operating in a school building shall follow applicable construction and fire safety requirements, as outlined in chapters 61:15:01, 61:15:02, and 61:15:07.

A family day care home must have the following fire safety measures in place:

(1) A working smoke detector must be located on each level of the home;
(2) A fully charged, portable fire extinguisher, with a minimum 2A rating, as identified on the extinguisher label, must be kept in or within fifteen feet of the kitchen or food preparation area;
(3) A carbon monoxide detector must be installed, according to the manufacturer's instructions, if a fuel burning appliance is present in the home;
(4) Each level of the home must have at least two remote exits that shall remain clear of obstructions. One of these exits must be a standard-sized door, and the other may be either a standard-sized door or an unobstructed, operable window, having at least five square feet of openable space, with a minimum width of twenty inches and a minimum height of twenty-four inches; and
(5) Whenever a portable space heater, a wood burning stove, or a fireplace is in use, the heater, stove, or fireplace must be inaccessible to children.

Summary of Non-Compliance Finding:

At the time of the inspection, the smoke detector on the main level of the home was not functioning.

Corrections to be Made:

Smoke detector on the main level of the home to be functioning and documentation to be provided to the Office of Licensing and Accreditation.

Corrections Made:

The batteries in the smoke detector on the main level of the home have been replaced. Documentation was submitted to the Office of Licensing and Accreditation on 06-03-2026.
