Compliance Plan Action #1

Administrative Rule:

67:42:17:27

Before any medication is administered to a child, permission of the parent or guardian must be documented and must include the name of the child, the name of the medication, and the dates, times, and dosage of the medication.

The medication must be provided by the parent and kept in the original container, with the original label. The label for a prescription medication must contain the child's name, the amount and frequency of dosage, the expiration date, the physician or other licensed practitioner's name, and instructions for storage. The medication must be returned to the parent when no longer needed or expired.

The provider shall document, in the child's record, any medication administered to a child and shall include the dose, the name of the child, the time and date administered, and the name of the person administering the medication. The documentation must be retained for at least six months and be made available to the child's parent upon request.

Summary of Non-Compliance Finding:

There were several expired medications on site that were not returned to parents, one medication that was not kept in their original container, and six medication forms that were missing required information or needed to be updated.

Compliance Plan Action #3

Administrative Rule:

67:42:17:15

A child care provider shall maintain a record for each employee that includes:

- (1) The employee's name and date of birth;
- (2) The dates on which the employee began and ended employment;
- (3) Documentation of orientation and ongoing annual training, if the employee provides direct care and supervision of children;
- (4) A statement that:
 - (a) Defines child abuse and neglect;
 - (b) Sets forth the employee's responsibility to report all incidents of child abuse or neglect in accordance with SDCL 26-8A-3 and 26-8A-8; and
 - (c) Is signed by the employee; and
- (5) The results of the background check.

All records required by this section must be reviewed and updated at least annually by the provider, made available to the department for verification of the contents, and retained by the provider for six months after the employee leaves the program.

Summary of Non-Compliance Finding:

Three provider employee records did not include all the required information.

Corrections to be Made:

All provider employee records need to include the required information outlined in ARSD 67:42:17:15.

Corrections Made:

All provider employee records were updated to include all the required information.

Anticipated Completion Date:
