The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

During the inspection, it was observed that the fence had been installed; however, the gate had not yet been installed, leaving the enclosure incomplete.

Corrections to be Made:

The program will provide pictures of the installed gate to the Office of Licensing and Accreditation.

Corrections Made:

The program provided pictures of the installed gate to the Office of Licensing and Accreditation.

Anticipated Completion Date:

July 17, 2026

Date Completed:

July 10, 2026
