Provider Name	Baylen Alsid		
Provider ID	1396548129		
Provider Address	7400 E Corinth St, Sioux Falls, SD 57110, USA		
Provider Contact	Baylen Alsid		

The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:24

Before a child may be admitted to a registered or licensed day care provider, the provider must require the child's parent or guardian to submit a statement, signed by a licensed physician, physician's assistant, certified nurse practitioner, or community health nurse, or an immunization record from the South Dakota Immunization Information System, showing that the child meets the minimum immunization requirements according to 45 C.F.R. § 98.41(a)(1)(i)(A), in effect on September 30, 2016.

The provider shall ensure that immunizations of all children are current.

For children who begin the series late or are more than one month behind in immunizations, the documentation must show progress toward achieving immunization requirements, as determined by a licensed physician, or other licensed practitioner. A grace period may be approved by the department for a child experiencing homelessness or a child in foster care.

A child is exempt from meeting the minimum age-specific immunization levels if:

- (1) The child's parent or guardian has certification from a licensed physician, or other licensed practitioner, stating that the physical condition of the child is such that an immunization would endanger the child's life or health; or
- (2) The child's parent or guardian has signed a written statement that the child is an adherent to a religious doctrine whose teachings are opposed to such immunizations.

If a child becomes ill while at a day care, the provider must separate the child from other children and notify the child's parents. If any child in the program contracts a communicable disease, the provider must notify the Department of Health. The program provider shall follow the Department of Health's recommendations for addressing a situation involving a communicable disease.

To prevent the spread of an infestation or infectious disease, a program shall provide an individual storage unit or container for each child's personal articles.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider did not have copies of current shot records available for their own children.

Corrections to be Made:

Copies of current immunizations to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Copies of current immunization records were received on 07-01-2026.

Anticipated Completion Date:

July 30, 2026

Date Completed:

July 01, 2026

Compliance Plan Action #2**Administrative Rule:**

67:42:17:40

A pet, while permitted in the presence of children receiving care, must be current with its vaccinations, and have clean and sanitary living areas, at all times.

A pet with a history of aggressive behavior, which poses a risk to the safety of children, must be confined and kept away from children.

Summary of Non-Compliance Finding:

At the time of the inspection, documentation of current vaccinations for provider's pet was not available.

Corrections to be Made:

Documentation of current vaccinations for provider's pet to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Documentation of updated vaccinations received on 07-03-2026.

Anticipated Completion Date:

July 30, 2026

Date Completed:

July 03, 2026

Compliance Plan Action #3**Administrative Rule:**

67:42:17:37

Center and school-age programs operating outside of a school building shall follow applicable construction and fire safety requirements, as outlined in chapters 61:15:05 and 61:15:06. School-age programs operating in a school building shall follow applicable construction and fire safety requirements, as outlined in chapters 61:15:01, 61:15:02, and 61:15:07.

A family day care home must have the following fire safety measures in place:

- (1) A working smoke detector must be located on each level of the home;
- (2) A fully charged, portable fire extinguisher, with a minimum 2A rating, as identified on the extinguisher label, must be

kept in or within fifteen feet of the kitchen or food preparation area;

(3) A carbon monoxide detector must be installed, according to the manufacturer's instructions, if a fuel burning appliance is present in the home;

(4) Each level of the home must have at least two remote exits that shall remain clear of obstructions. One of these exits must be a standard-sized door, and the other may be either a standard-sized door or an unobstructed, operable window, having at least five square feet of openable space, with a minimum width of twenty inches and a minimum height of twenty-four inches; and

(5) Whenever a portable space heater, a wood burning stove, or a fireplace is in use, the heater, stove, or fireplace must be inaccessible to children.

Summary of Non-Compliance Finding:

At the time of the inspection, there was not a 2A fire extinguisher in the food prep area.

Corrections to be Made:

2A fire extinguisher to be placed in the food prep area. Documentation to be provided to the Office of Licensing and Accreditation.

Corrections Made:

A 2A fire extinguisher has been purchased and placed in the food prep area. Photo documentation received on 07-01-2026.

Anticipated Completion Date:

July 30, 2026

Date Completed:

July 01, 2026

Compliance Plan Action #4

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

At the time of the inspection, the teeter totter was not anchored into the ground, posing a hazard to children.

Corrections to be Made:

Teeter totter to be anchored into the ground. Documentation to be provided to the Office of Licensing and Accreditation.

Corrections Made:

Photo documentation that the teeter totter has been anchored into the ground received on 07-01-2026.

Anticipated Completion Date:
July 30, 2026

Date Completed:
July 01, 2026

Your signature below certifies you have read and understand the non-compliance findings and agree to make corrections to be compliant with the identified administrative rules.
