The following administrative rules have been found to be out of compliance. A corrective action plan is required to bring the provider into compliance. Continued non-compliance could lead to revocation of your license.

Corrective Action Plan #1

Administrative Rule:

67:42:17:17

All providers shall, within ninety days after the date of employment, complete and obtain documentation of orientation training in the following areas:

- (1) Prevention and control of infectious diseases;
- (2) Prevention of sudden infant death syndrome and the use of safe sleep practices, if infant care is provided;
- (3) Administration of medication;
- (4) Prevention of and response to an emergency due to food allergies and other allergic reactions;
- (5) Building and physical premises safety;
- (6) Prevention of shaken baby syndrome and abusive head trauma, if infant care is provided;
- (7) Emergency preparedness and response planning for an emergency resulting from a natural disaster or man-caused event;
- (8) Handling and storage of hazardous materials and the appropriate disposal of biological contaminants;
- (9) Precautions in transporting a child, if the program provides transportation;
- (10) Recognition and reporting of child abuse and neglect;
- (11) Pediatric first aid;
- (12) Pediatric cardiopulmonary resuscitation; and
- (13) Child development.

Before a provider may care for children without supervision, the provider must complete orientation training in each of the areas listed in this section.

Summary of Non-Compliance Finding:

During the annual inspection conducted by the Office of Licensing and Accreditation on March 11, 2026, it was identified that one employee did not have documentation of Level I orientation training within 90 days of employment. To date, verification of the required orientation training has not been provided.

Corrective Action:

The employee will complete Level I Orientation training, and documentation of completion will be obtained and maintained in the employee's record.

Supporting Evidence:

Verification that the employee has completed Level I Orientation training will be submitted to the Office of Licensing & Accreditation **by May 29, 2026**.

How Maintained:

The provider will submit a written plan outlining routine file audits to ensure that new employees complete Level I Orientation within 90 days of employment and prior to being left alone with children.

Position Responsible:
Keisha Kenner, Director

Expected Completion Date:
May 29, 2026

Date Completed:
June 17, 2026

Corrective Action Plan #2**Administrative Rule:**

67:42:17:46

A provider shall complete pediatric first aid training every five years and maintain documentation of the training. A provider must be certified in pediatric cardiopulmonary resuscitation. The certification must include a hands-on skills test.

A provider shall work under supervision until the provider has completed the training required by this section. The supervisor shall have completed their pediatric first aid training and be certified in pediatric cardiopulmonary resuscitation.

Summary of Non-Compliance Finding:

During the annual inspection conducted by the Office of Licensing and Accreditation on March 11, 2026, it was identified that several providers did not have documentation of current Pediatric Cardiopulmonary Resuscitation (CPR) certification on file. To date, verification of current CPR certification has not been provided for three providers.

Corrective Action:

Documentation verifying completion of the required Pediatric Cardiopulmonary Resuscitation (CPR) certification,

including a hands-on skills assessment, must be obtained and maintained for each provider.

Supporting Evidence:

To verify compliance with Pediatric CPR certification requirements, the program will submit copies of current Pediatric CPR certification documentation for the three identified providers to the Office of Licensing and Accreditation **by May 29, 2026.**

How Maintained:

Provider files will be reviewed quarterly to ensure the required Pediatric CPR certification remains current for all providers.

Position Responsible:
Keisha Kenner, Director

Expected Completion Date:
May 29, 2026

Date Completed:
