Compliance Plan Action #3**Administrative Rule:**

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

At the time of the inspection, the play area is located in the front yard adjacent to vehicular traffic, posing a possible safety hazard to the children.

Corrections to be Made:

Play area to be re-located or fence installed for the front play area. Documentation of compliance to be submitted to the Office of Licensing and Accreditation.

Corrections Made:

The provider has relocated the children's play area to their fenced back yard. Documentation of compliance was submitted on 08-13-2026.
