Compliance Plan Action #1

Administrative Rule:

67:42:17:32

All walls, ceilings, floors, and equipment must be easily cleanable, kept clean, and in good repair. Heating and cooling systems must maintain a temperature between sixty-five degrees Fahrenheit and seventy-five degrees Fahrenheit. For a child care center and school-age program, all heating and cooling systems must be inspected annually, by a certified technician.

Food preparation areas, including tables and countertops, must be made of a smooth, nonporous material, kept clean and sanitized, be free of cracks, and be in good repair. Center and school-age programs, in which more than twenty children are cared for, must provide a ventilation hood over all cooking areas. The hood must be appropriate for the type of appliance and intended use, as required in § 61:15:01:01.

Summary of Non-Compliance Finding:

The last time the heating system has been inspected was 07/02/2024.

Corrections to be Made:

Program will have the heating and cooling system inspected by a certified technician then submit verification to the Office of Licensing & Accreditation.

Corrections Made:

Program had the heating and cooling system inspected by a certified technician and submitted verification to the Office of Licensing & Accreditation.

Compliance Plan Action #2

Administrative Rule:

67:42:17:35

Playgrounds for all child care settings must be safe, in good repair, and free of debris, trash, and weeds. Playground equipment must be installed according to the manufacturer's instructions and maintained in good repair.

For a center program, a fence that measures at least four feet high is required around the center's outdoor play space.

For a family day care or school-age program, a fence that measures at least forty-two inches high may be required to separate the outdoor play space, if the department determines a body of water, vehicular traffic, or other hazard poses a risk of injury or death to a child.

Summary of Non-Compliance Finding:

The play area has an excess of weeds that need to be removed.

Corrections to be Made:

Program will remove the weeds in the play area and submit verification to the Office of Licensing & Accreditation.

Corrections Made:

Program removed the weeds in the play area and submitted verification to the Office of Licensing & Accreditation.
