The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:18

All providers must obtain annual training in the topic areas identified in 45 C.F.R. § 98.41, in effect on September 30, 2016, or as identified by the department. Training must be documented and relevant to the provider's position as determined by the department. Training may include on-site or online classes. Pediatric cardiopulmonary resuscitation renewal may not be included in annual training.

Each director and provider of center and school-age programs counted in staff-child ratios shall complete ten hours of annual training.

Each provider of family day care counted in staff-child ratios shall complete six hours of annual training.

Orientation training hours qualify as annual training hours for each provider in the year the training was completed.

Every five years, all providers shall complete additional, advanced training in each of the training areas listed in § 67:42:17:17.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider had verification of three of the six required annual training hours completed.

Corrections to be Made:

The provider will complete three additional training hours to make up the missing 2025 training hours.

Corrections Made:

Verification has been received.

Anticipated Completion Date:
September 04, 2026

Date Completed:
August 19, 2026

Compliance Plan Action #2

Administrative Rule:

67:42:17:06

A provider shall, within twenty-four hours, report to the department.

- (1) A change of address;
- (2) Any major change in the operation or ownership of the program;
- (3) A change in the household size or composition;
- (4) Damage to or a change in the condition of the facility or home;
- (5) An investigation of the provider or a program employee, by the Division of Child Protection Services or law enforcement, concerning any allegation of:
 - (a) Child abuse or neglect; or
 - (b) Any action that may prohibit the provider or employee from meeting background check eligibility requirements;
- (6) Any injury to a child that requires medical attention or dental care; and
- (7) The death of a child, if related to a serious injury that occurred on the premises of the child care program.

Summary of Non-Compliance Finding:

At the time of the inspection, items in the home indicated that another adult was residing in the home. The change in household had not been reported to the Office of Licensing & Accreditation and the individual had not completed the required background check.

Corrections to be Made:

All changes in household composition must be reported to the Office of Licensing & Accreditation within 24 hours. A background check must be completed for any new individual residing in the home.

Corrections Made:

Verification of a cleared background check for the new household member has been received.

Anticipated Completion Date:
September 04, 2026

Date Completed:
September 01, 2026

Compliance Plan Action #3

Administrative Rule:

67:42:17:40

A pet, while permitted in the presence of children receiving care, must be current with its vaccinations, and have clean and sanitary living areas, at all times.

A pet with a history of aggressive behavior, which poses a risk to the safety of children, must be confined and kept away from children.

Summary of Non-Compliance Finding:

At the time of the inspection, the provider did not have current vaccination records for the dogs.

Corrections to be Made:

Verification of current vaccination records for all pets is to be provided to the Office of Licensing & Accreditation.

Corrections Made:

Verification has been received.

Anticipated Completion Date:

September 04, 2026

Date Completed:

August 19, 2026
