Compliance Plan Action #1

Administrative Rule:

67:42:17:21

A center or school-age program must maintain the following ratios:

- (1) Five children to one staff for children up to three years of age;
- (2) Ten children to one staff for children three through four years; and
- (3) Fifteen children to one staff for children five years and over.

Children of program employees must be included in determining the children to staff ratio.

Summary of Non-Compliance Finding:

During a complaint investigation conducted by the Office of Licensing & Accreditation, it was determined that the required staff-to-child ratio was not maintained in the infant room. There were 12 children present with two providers, while the required ratio for this age group is one provider for every five children under three years of age.

Corrections to be Made:

The staff to child ratio must be always be maintained. The director will review staff-child ratio requirements with all providers.

Corrections Made:

Staff-child ratio was corrected during investigation inspection. Director provided a written statement to Office of Licensing and Accreditation of how they plan on correcting staff-child ratio issues.
