The items listed below are those that the provider was not in compliance with at the time of the inspection.

Compliance Plan Action #1

Administrative Rule:

67:42:17:20

A center provider supervising children must be in the same room with the children or on the playground with the children, and must be able to see or hear the children, at all times.

If children are in a school-age program, the provider must be able to hear or see the children, at all times, and must be close enough to intervene at all times.

Summary of Non-Compliance Finding:

During a complaint investigation conducted by the Office of Licensing & Accreditation, it was determined that three three-year-old children were left unsupervised after leaving the playground area and were found near the street.

Corrections to be Made:

The supervision requirements were reviewed with the provider, including the requirement to remain present on the playground or in the same room as children at all times.

The provider will submit a written plan to the Office of Licensing & Accreditation outlining how supervision requirements will be maintained.

Corrections Made:

The Provider submitted a written plan outlining how supervision requirements will be maintained.

Anticipated Completion Date:

September 29, 2026

Date Completed:
