

Program Inspection Compliance Plan

Provider's Name: **The Crayon Box III**

City: **Salem**

Provider Number: **014512382**

Inspector: **Deb Bigge**

Date of Inspection: **08/13/2024**

Time of Inspection: **8:44 AM**

The items listed below are those that the provider was not in compliance with at the time of the inspection.

B. Provider Practices

16. Is medication administered to each child documented, which includes the child ' s name, dose, time, date given, and name of the individual administering the medication? 67:42:17:27

Corrections To Be Made:

The medication consent form used by the program does not include the dose administered.

Program was given the DSS medication consent form with all required information.

Medication consent/administration requirements were reviewed with all staff and updated form is being used.

Status: **Corrected**

19. Are medications returned to the parent when no longer needed or the medication has expired?
67:42:17:27

Corrections To Be Made:

Medications are not returned to families when no longer needed.

Program needs to return all medications to families when no longer needed/after the date to be given on the medication consent form is expired.

Medications not affiliated with a current consent form were returned to parents.
