Provider's Name: **Jennifer Oltmanns**

City: **Sioux Falls**

Provider Number: **018019359**

Inspector: **Todd Lowe**

Date of Inspection: **07/28/2022**

Time of Inspection: **8:41 AM**

The items listed below are those that the provider was not in compliance with at the time of the inspection.

C. Health & Safety Features of the Home - Indoor Environmental Observations

76. For each level of the home used for the care of children, are there 2 unblocked exits, separate and remote from each other? 67:42:03:11.03 Note: Window wells or outside structures of building etc. cannot inhibit or prevent safe exiting.

Corrections To Be Made:

Observed the side exit door was obstructed by household items and would not be operable in the event of an emergency. Ensure that all exits from the home are maintained to open and are unobstructed.

***Correction: The obstructions were removed and corrected on the day of inspection.**

D. Health & Safety Features of the Home - Outdoor Environmental Observations

83. Are all play areas fenced which are near an area that is dangerous or life-threatening & that could allow or cause serious injury to children? 67:42:03:17 Note: This includes, but is not limited to, pools, water filled ditches, etc.

Corrections To Be Made:

Observed that the chain link fence was down in a few spots due to recent storm damage. Resecure the fence to the top rail to reduce the potential for injury.

***Correction: Documentation was received that the fence has been secured.**
