33. If a child in care has a known food allergy, does the provider have a written plan which includes instructions regarding food allergens, steps to be taken to avoid the food, and a detailed treatment plan to be implemented if the child has an allergic reaction? 67:42:17:29

Corrections To Be Made:

Provider did not have a written plan with instructions regarding food allergies for three children that are enrolled in the program.

A written plan is needed for children with known food allergies, which includes instructions regarding food allergens, steps to be taken to avoid the food, and a detailed treatment plan to be implemented if the child has an allergic reaction

***Correction: Verification has been received of the written allergy plans.**
