Provider Type: DCC

Date Agency Action Issued: 08/28/2024

The provider was found to not be in compliance with the following items.

67:42:17:21 - Center and school-age program ratio

Summary of Compliance Issue:

Staff-child ratio - The 3- and 4-year-old classroom was found to have 22 children with two staff present. One staff is required for every ten children for this age grouping.

A center or school-age program must maintain the following ratios:

- (1) Five children to one staff for children up to three years of age;
- (2) Ten children to one staff for children three years through four years; and
- (3) Fifteen children to one staff for children five years and over.

A written plan was submitted to the Office of Licensing & Accreditation addressing measures the program will take to ensure staff-child ratios are maintained at all times. The Office of Licensing & Accreditation will continue to monitor compliance with this requirement.
