67:42:17:19 - Group size - Center and school-age programs

Summary of Compliance Issue:

Group size- The program was not following maximum group size, as determined by individual room capacity in the 3–4-year-old room.

Maximum group sizes are determined by individual room capacity and all space used must be approved for care by the department. When room capacity does not align with the ratio requirements, a maximum of three additional children may be included in the room capacity as long as ratios are maintained.

The program submitted a plan to the Office of Licensing & Accreditation to ensure individual room capacity is maintained for all classrooms. A Corrective Action Plan has been implemented with the program and the Office of Licensing & Accreditation will continue to monitor for compliance.
