67:42:17:26 - Safe sleep practices

Issue/Corrections To Be Made:

Safe sleep practices - There was a stuffed animal blanket in a crib with a sleeping infant.

A provider shall follow the safe sleep practices contained in Caring for Our Children: National Health and Safety Performance Standards, 4th Edition, for infants under the age of one. This includes ensuring stuffed toys and blankets are not present in the infant's sleep area.

The stuffed animal blanket was immediately removed from the crib. The classroom providers will be required to take additional training in the area of safe sleep. The owner submitted a written plan to the Office of Licensing and Accreditation addressing how the program will ensure that safe sleep practices will be followed.
