58. Is the playground equipment installed according to the manufacturer ' s instructions and in good repair? 67:42:17:35

Corrections To Be Made:

Playground equipment found with caution tape wrapped multiple areas of broken equipment. Landscape border around equipment also found broken in multiple places. Playground equipment should be maintained in good repair.

The program is not using this playground until the repairs are completed. A different play area is being used on the other side of the building.
